

## September 2006 newsletter

It's almost our 10<sup>th</sup> anniversary, and we're amazed that 10 years has gone by so fast! The month of October will be filled with classes and some special events, plus our annual in-store giveaways, and coupons to use in our store or on our web site. But September's pretty busy too, so we thought we'd get a newsletter out to you now so you can take advantage of our September classes as well as plan ahead for the rest of the fall.

### We're Hiring in Milwaukee!

We are looking for someone to work 32+ hours per week in our Milwaukee store, located in the Third Ward. The perfect candidate is someone who enjoys retail work, prides herself on excellent customer service, is interested in learning more about sexual health and helping people explore their healthy sexual selves, and wants to be a part of spreading the word about our Milwaukee store through networking and outreach activities. We pay a good wage and offer fully-paid health & dental insurance and paid vacation, plus a fabulous employee discount. If you are interested in applying, please send a resume or job history plus a hand-signed letter telling us about you, what skills you have to offer AWT, and why you would want to work at A Woman's Touch. The deadline for applying is September 25 at 6 p.m., and all application materials should be sent to: A Woman's Touch, 600 Williamson St., Madison, WI 53703 Attn: Hiring or faxed to 608-250-2523. No email applications please.

### Fall Classes & Events

Lots of opportunities for learning and exploring this fall. Please see our web site for workshop descriptions and fees and policies. If you have any questions about any workshop, please email us at [awt@chorus.net](mailto:awt@chorus.net).

To register for any class, please do the following:

For a Madison class e-mail [awt@chorus.net](mailto:awt@chorus.net) or call us at 608-250-1928.

For a Milwaukee class email [awt.milwaukee2@gmail.com](mailto:awt.milwaukee2@gmail.com) or call us at 414-221-0400.

Free classes do not require registration.

### Pre-anniversary Special Coupon

We're so excited about being 10 years old (or 70 in dog years, our dogs remind us) that we're offering our internet customers a special coupon. If you make a purchase where the total for your merchandise is \$75 - \$125, enter TIN in the coupon code and you will receive \$10 off your purchase. If you make a purchase where you spend \$125 or more, enter OPAL in the coupon code and receive \$15 off your purchase. These coupons are only good for internet orders...store customers will get their coupons in the next newsletter. These coupon codes are good from September 15 – October 31, 2006.

As usual, there are many new items in our stores and on our web site. This is a good time for new books (think of it as back-to-school for adults!) and we're finding some wonderful new toys for your pleasure as well. The Value Vibes sections of our store and web site have a bunch of new items for those of you seeking a good deal on a vibrator. And the lingerie goddess has been hard at work adding affordable lingerie to our site, so if you're seeking something a little sexy at a reasonable price, go check out her section of our web world. Lots of soft and silky things for you to cuddle up in.

Save those printer cartridges and old cell phones...

Part of our anniversary celebration will be helping out some causes we feel strongly about. The whole month of October we will be collecting your used-and-retired cell phones and inkjet/laser print cartridges to be recycled. The cell phone drive will benefit Domestic Abuse Intervention Services in Madison and the Task Force on Family Violence in Milwaukee. The print cartridge drive will benefit breast cancer research. So bring them in and drop them off to help these worthy causes. When you do, you'll get 5% off your purchase as our way of saying thank you.
